For Those Looking to Improve Overall Wellbeing Naturally

The highest quality functional multifiber supplement available to naturally balance the immune system.

- Can help combat dysbiosis and restore a healthy balance of bacteria in the gut
- Can help maintain a healthy gut, boost immunity, reduce lipids, manage weight, and improve overall wellbeing

Renadyl™ and Kibow Fortis® act as a team

- The fiber blend in Kibow Fortis® is lactogenic and bifidogenic
- It aids the growth of beneficial microbes like those in Renadyl™
- Its other dietary effects alleviate health problems common in patients with CKD
